

Reaction™ Banner Stand

Unique Curved, Retractable Design

exhibiting solutions

Impact and Versatility

Reaction™ Banner Stand

Make an impact anywhere you need a big graphic in a small space. Reaction™ is lightweight, convenient and flexible to fit your changing needs.

Straight or Curved Design

With the simple flick of levers, Reaction converts from straight to curved. Connect three units together for an effective 10' display.

Easy to Change Graphics

Our Graphic Exchange System allows you to update or change your graphic to target specific audiences without investing in new hardware.

Carrying Case

Our soft-sided carrying case has a strap and handles for easy transport.

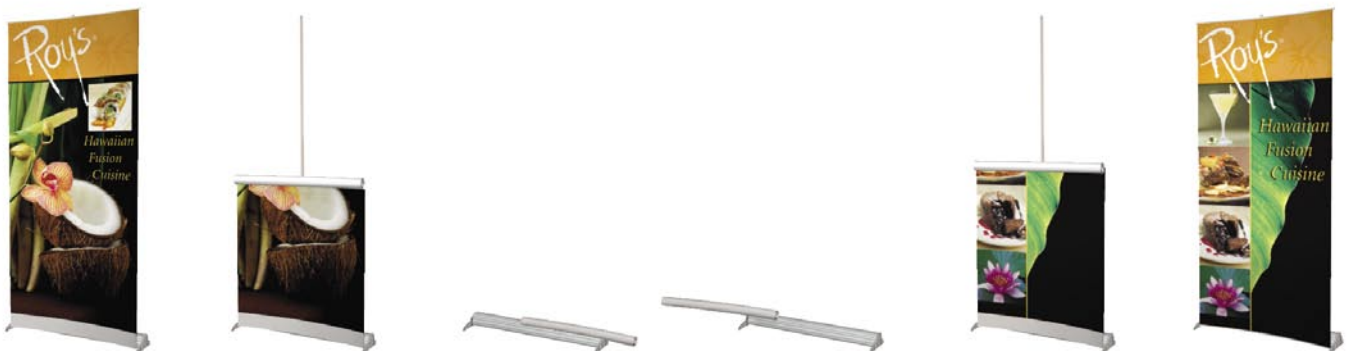

Perfect For Many Settings

Reaction is great for trade shows, special events, retail areas, lobbies and more.

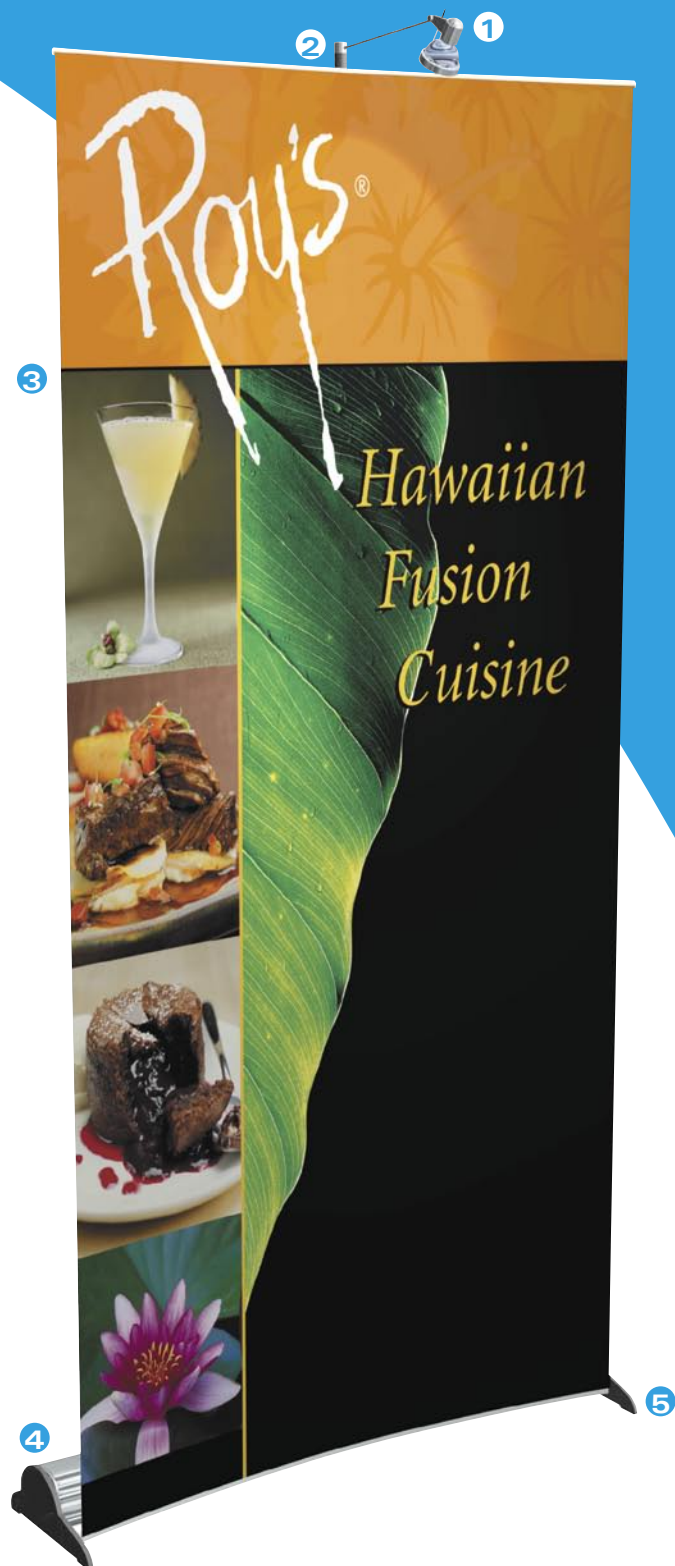

Skyline produces its graphics in-house for the best quality and fit - guaranteed.

Quick and Easy Graphic Exchange System!

Simply roll the existing graphic and slide it out of the base. Slide the new graphic into the base and raise the graphic.

1 Halogen Lighting - 50 Watt
Attaches to support pole and highlights your graphic.

2 Graphic Support Pole
Sections are conveniently shock-corded for easy set up.

3 Fabric Graphic
Communicate your message in style with vibrant and durable fabric graphics.

4 Spring-Loaded Base
Protects your graphic during transportation and storage. The base also contains a **Graphic Exchange** (below) which allows you to easily change your graphics on-site.

5 Low-Profile Support Feet
Support feet simply fold open and provide stability without looking bulky.

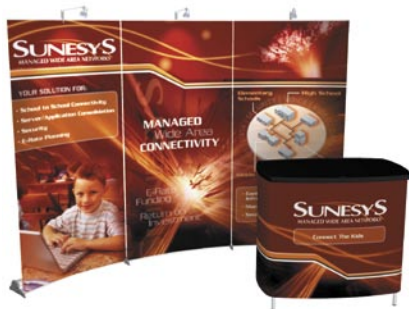

The Reaction™ graphic conceals its base for a clean, streamlined look.

Reaction™

Specifications

Reaction can be designed for use as a full banner stand that converts to a straight tabletop display.

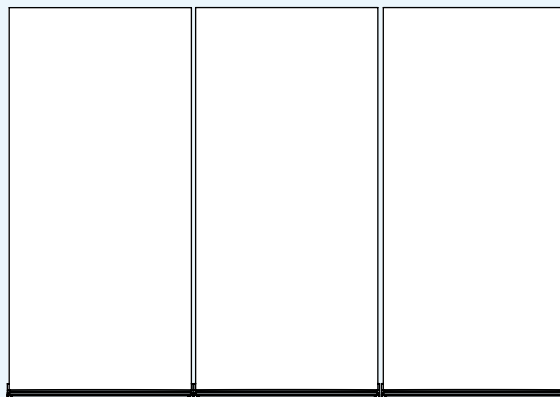

Connected Reaction units provide a 10' display that is impactful and cost-effective. Matching Stratus™ table adds function.

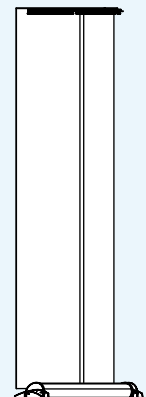

Multiple units ensure brand consistency throughout your network of dealers and associates.
