

Skyline®

quest®

Make an impact on a limited budget!

Quest is the new pop-up display from Skyline. It was designed with an aluminum frame to save you money while giving you the elegant look of a curved display, ease of set-up, and best of all, Skyline quality. Quest packs in a single case or in two cases that transport easily. And your cases can be converted into a table for lead-taking, product display or work space.

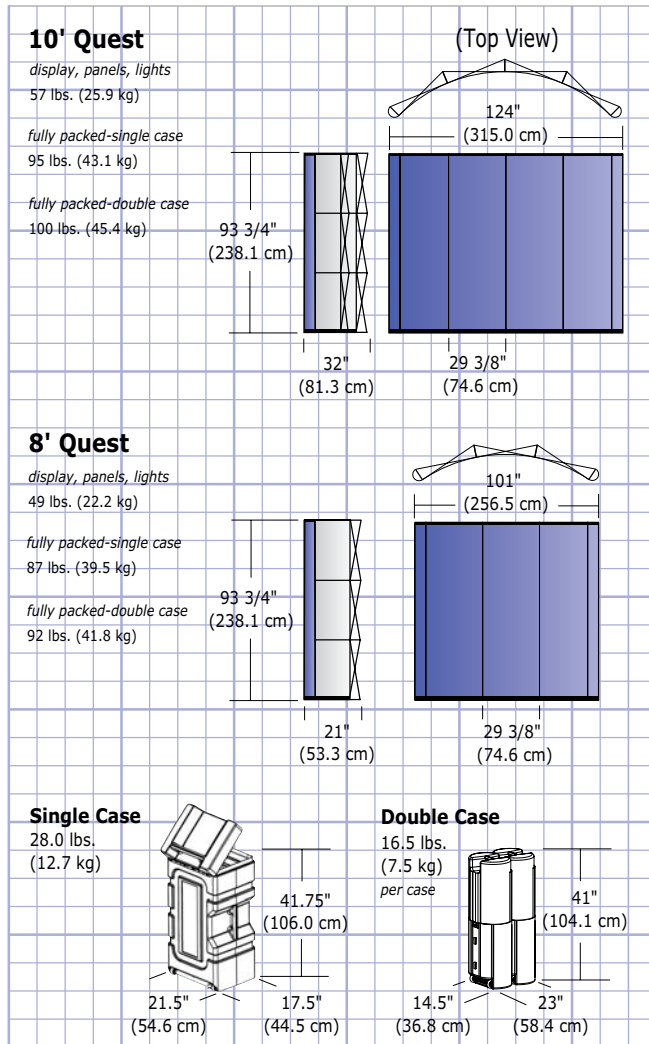

imagine that.™

quest®

- Aluminum frame sets up quickly without tools
- Available with fabric or graphic panels
- Optional SkyTrak™ spotlights highlight your display
- Optional shelving displays your products and literature
- Cases can be converted into tables with available case/table package
- Panels are interchangeable with Mirage® display
- Removable hubs allow for rapid field service

Frame sets up quickly and easily
Quest's lightweight aluminum frame pops up in seconds.

Panels align perfectly for a great look
Skyline uses polarized magnets to give you a seamless look. Panels are available in a variety of fabric colors or digital-direct graphics.

Cases protect your investment
Quest packs in a single case for convenience or in two cases that lock together. All cases have wheels for easy transport.
